*Il est de forts parfums pour qui toute
matière est poreuse.*

On dirait qu'ils pénètrent le verre

[Charles Baudelaire]

*Perfumes there are
which through all things can pass
And make all matter porous, even glass*

The manly, penetrating notes of Agarwood and Leather
captivate your mind, releasing a hypnotic sensuousness.

A bold interpretation of the leather note,
the fragrance debuts with the fresh
Mediterranean Bergamot and Grapefruit.

Fruity Raspberry touches mix with aromatic Birch.

All of a sudden, the Perfume's burning soul:
the opulent elegance of Sandalwood
daringly matches with Oud and Vetiver.

A final brush stroke of Vanilla
Makes the fragrance enveloping and sensuous.
